*Supporting iServe Africa to
raise a new generation of
gospel workers for Africa*

iServe Africa UK Trust

iServe Africa UK Trust was established to support the gospel work of iServe Africa, a Kenya based organisation seeking to train young gospel workers for ministry across Africa. Please see below to find out more about iServe Africa. We aim to raise awareness of iServe Africa, enable tax efficient giving from the UK, and increase prayer support for those running the organisation and the apprentices they train.

iServe Africa UK Trust is a UK registered charity (Charity Commission number: 1144995) and a UK company limited by guarantee run by a small group of trustees who have a passion to see young men and women faithfully and biblically trained to take the good news about Jesus Christ across Africa and beyond. To find out more about iServe Africa UK Trust, please see iserveafricauktrust.org

iServe Africa

iServe Africa, a Kenyan NGO, aims to train and send out gifted and godly men and women to handle the gospel of Jesus Christ faithfully, clearly and relevantly in Africa and beyond. iServe Africa run ministry apprenticeships with local churches and mission organisations to, under God, raise up a new generation of gospel workers. Each apprenticeship is composed of three elements:

1. Ministry training and experience

Apprentices are involved in leading youth and children's work, community development, innovative evangelistic efforts, and other church based ministry, under the notion that the best way to learn how to be a gospel minister is to do gospel ministry.

2. Biblical and theological training

Ministry is backed up by rigorous and biblical training on the iServe Africa Nairobi Ministry Training Course. The course (4 week-long modules per year) focuses on communicating the gospel with a strong emphasis on faithful Bible teaching in an African context.

3. Practical service

In the footsteps of the Lord Jesus, each apprentice serves their partner church or organisation with various practical tasks to enable their gospel ministry to run smoothly.

Supporting Us

I want to give financially to the work of iServe Africa

Please consider giving a regular gift, using the standing order and Gift Aid forms. iServe Africa is a lean organisation, running a growing number of apprenticeships with only a few paid staff members from a small office in Nairobi. It only costs around £60k per annum to run the organisation, and yet all funds need to be raised to sustain this growing gospel ministry. All donations to iServe Africa UK Trust go to the gospel ministry of iServe Africa (less administrative costs targeted to be less than 5%).

I want to pray for iServe Africa

To receive regular newsletters and prayer points tick the box on the form and send it to us, or sign up on iserveafrica.org.

I want to talk to someone about iServe Africa to explore how I can be more involved

We would be delighted to discuss how you might be more involved with iServe Africa. You may want to become an iServe Africa champion for your church, or find out more about ministry apprenticeships. Please see our contact details on the reverse.
